PROFESSIONAL PROFILE

Visual Merchandising Manager with 10+ years leading end-to-end retail VM programs across luxury beauty, fragrance, and fashion. Proven track record designing and executing high-impact visual merchandising programs for global retail partners — including multi-door rollouts, pop-up activations, window installations, and seasonal NPI campaigns. Expert in owning the full graphic design and production cycle: from concept and dieline creation to vendor coordination and on-time delivery.

Experienced translating global brand guidelines into premium in-store experiences across Sephora and beauty retail environments. Strong collaborator with Brand, Marketing, Sales, and Trade teams. Skilled in Adobe Creative Suite (Illustrator, InDesign, Photoshop) and print production mechanics (bleeds, finishes, material specs).

KEY SKILLS

- **Visual Merchandising & Activation:** Window installations, pop-ups, endcaps, shelf strips, towers, tables, in-store events. End-to-end VM program management across global retail partners.
- **Graphic Design & Production:** Production-ready file creation (bleeds, dielines, finishes, font legibility). Material selection, vendor briefing, quality control, and on-time delivery.
- **Cross-functional Collaboration:** Alignment with Brand, Marketing, Sales, and Retail teams. Clear communication with agencies, vendors, and production partners.
- **Tech Stack:** Adobe Creative Cloud (Illustrator, Photoshop, InDesign), SketchUp, AutoCAD, Keynote, Generative AI tools.
- **Languages:** Spanish (Native) | English (Professional — corporate fluency).

PROFESSIONAL EXPERIENCE

L'ORÉAL LUXE MÉXICO

Visual Merchandising Coordinator – Luxury Division *February 2025 - Present*

- Lead visual merchandising programs and in-store storytelling for Valentino, Giorgio Armani, and Ralph Lauren (fragrances), ensuring every display reflects consistent brand expression and strong in-store impact across high-traffic luxury retail doors — including Sephora and specialty perfumeries.
- Own end-to-end coordination of POP materials and window installations: from concept and production-ready file briefing with local vendors to final installation, finishing quality control, and on-time delivery.
- Executed national rollout of key 2025 NPI campaigns (Born in Roma, Stronger With You), delivering photographic and qualitative feedback to the corporate VM team at each strategic rotation.
- Collaborate cross-functionally with Marketing, Trade, and Operations teams to align the commercial calendar with visual execution across global retail partners — acting as brand ambassador and standards reference for every key account.

BISONTE EXPERIENTIAL MARKETING

Brand Environment & Store Design Coordinator 2022 - 2023

- Led end-to-end visual and technical implementation for the Adidas Brand Center Madero Flagship Store opening — a high-stakes in-person activation coordinating local vendors and installations to global Store Design standards, delivered with zero blocking observations and on-time delivery for brand sign-off.
- Supervised category zoning and brand experience layout, validating planograms with the corporate team and ensuring consistent brand expression and in-store impact from day one of operations.
- Coordinated specialized vendors to ensure quality in finishes and furniture, safeguarding architectural and visual design integrity.

LEVI STRAUSS & CO. (DOCKERS)

Senior Brand Environment Coordinator – LATAM 2018 - 2021

- Managed visual merchandising programs across 6 countries in LATAM and 270+ national points of sale, ensuring consistent brand expression across global retail partners and reporting market best practices to the Trade Marketing team.
- Designed a local production strategy that generated -74% cost savings on national campaigns while maintaining global exhibition standards across all product categories.
- Reduced floorset update time by -33% through Zoning & Mapping manuals and digital tools for field teams, enabling consistent execution across owned stores and franchises.

AÉROPOSTALE

Visual Merchandising Manager 2017 - 2018

- Built the VM department from scratch, managing 17 VM assistant managers and 4 zone supervisors. Implemented pilot windows, in-person activations, category guidelines, and visual maintenance checklists replicated nationally — owning end-to-end execution from concept to floor.
- Directly contributed to +43% traffic increase and +18% conversion lift across 17 stores through strategic zoning, product rotation, and visual alignment with monthly commercial goals.
- **Standardized planograms for key categories (Denim & Lifestyle), providing systematic** feedback to leadership on visual performance and floor improvement opportunities.

EL PALACIO DE HIERRO (ALDO GROUP)

Visual Merchandising & Marketing Coordinator 2012 - 2017

- Coordinated visual and marketing execution for **17 retail stores and 12 wholesale corners**, leading openings, renovations, and window rotations with specialized vendors under global standards from the Canadian HQ — ensuring on-time delivery and quality finishes across all global retail partners.
- Conducted regular in-store visual audits evaluating maintenance, lighting, props, and furniture; documented findings and best practices for regional team feedback.
- Developed training programs for floor staff on visual guidelines, product knowledge, and brand standards. Managed specialized vendors to ensure quality finishes and architectural integrity across every opening and renovation.
