PROFESSIONAL PROFILE

Visual Merchandising and **Brand Environment Specialist** with over 10 years of experience in high-end **retail** and fashion. Expert in translating brand identity into high-impact **visual storytelling**, elevating the point-of-sale experience through operational and aesthetic excellence. Solid experience in **CAPEX/OPEX** budget management and **staff training** to guarantee global exhibition standards across multinational markets.

CORE SKILLS

- **Luxury Management:** Regional **Visual Merchandising strategy**, product curatorship, and **vendor negotiation** with specialized suppliers.
- **Retail Operations:** Collection launches, **Flagship Store** openings, and inventory management for display.
- **Training & Standards:** Development of **operational guidelines** and **staff coaching** on visual standards, trends, and product knowledge.
- **Technical Tools:** **SketchUp**, **IWD**, **Microsoft Office**, Concur, and **Adobe Creative Cloud**: Photoshop, Illustrator, InDesign, Premiere Pro.
- **Languages:** Spanish (Native) and **English** (Professional Proficiency).

PROFESSIONAL EXPERIENCE

L'ORÉAL LUXE MÉXICO

Visual Merchandising Coordinator - Luxury Division | February 2025 - Present

- **Storytelling:** Coordinate the execution of **Visual Merchandising** for luxury brands (**Valentino**, **Armani**, and **Ralph Lauren**), focusing on building narratives based on each brand's history and heritage.
- **National Launches:** Manage strategic fragrance campaigns, achieving **premium visibility** with key partners and in major department stores.
- **Financial Control:** Administer the national **Visual Merchandising budget**, optimizing resource allocation for setups under **CAPEX/OPEX** metrics.
- **Quality Assurance:** Direct supervision of vendors to ensure that material installations meet the non-negotiable standards of the **luxury division**.

BISONTE EXPERIENTIAL MARKETING

Production & Logistics Coordinator | 2022-2023

- **High-Impact Retail:** Led the assembly and logistics for the **Adidas Brand Center Madero (Flagship Store)**, coordinating installations under international **Store Design** guidelines.
- **Problem Solving:** Implemented supply management processes that ensured flawless **technical execution** at the point of sale.

LEVI STRAUSS & CO. (DOCKERS)

Senior Brand Environment Coordinator - LATAM | 2018-2021

- **Training & Standardization:** Developed **execution manuals** and visual guides that optimized regional rollouts and **local team training**, reducing **floorset update time by up to one-third**.
- **Budget Efficiency:** Designed a local production strategy that generated a **74% savings** in national campaign costs.
- **Regional Consistency:** Supervised visual maintenance for over **270 points of sale**, guaranteeing 100% **POP material** coverage during the COVID-19 crisis.

AÉROPOSTALE

Visual Merchandising Manager | 2017-2018

- **Commercial Maximization:** Redesigned the **visual strategy** for 17 retail stores, resulting in a **+43% increase in traffic** and a **+18% increase in conversion**.
- **Strategic Alignment:** Collaborated with the Marketing team to unify the **visual narrative** across key categories and improve consistency in high-risk inventory displays.

EL PALACIO DE HIERRO (ALDO GROUP)

Visual Merchandising & Marketing Coordinator | 2012-2017

- **Retail Management:** Responsible for the **shopping experience** across 17 stores and 12 corners, aligning displays with global trends.
- **Opening Leadership:** Coordinated vendors and materials for the execution of commercial spaces according to **global standards**.
