LinkedIn Learning

2014
Store Operations Leaders Orientation (VM & Sales & Ops)
Aldo Group

Visual Merchandising Leader with 10+ years of experience transforming creative guidelines into authentic retail realities.

Expert in managing high-impact productions and budgets with a business mindset and a passion for storytelling, ensuring all launches exceed Brand Standards through effective vendor leadership.

EXPERIENCE

Feb 2025 – Present | L'ORÉAL LUXE MÉXICO
Visual Merchandising Coordinator – Luxury Division

Coordinate visual production and execution of national campaigns for global luxury brands such as Valentino, Giorgio Armani, and Ralph Lauren.

Lead the implementation of seasonal campaigns, managing materials, timelines, installation, and visual standards at the point of sale.

Manage the national Visual Merchandising budget (CAPEX/OPEX), ensuring operational efficiency and correct resource allocation.

Work cross-functionally with Marketing, Trade, and Operations teams to align visual execution with commercial objectives.

Coordinate external vendors for production and installation, validating specifications, lead times, and final in-store quality.

2022 – 2024 | BISONTE EXPERIENTIAL MARKETING
Visual Merchandising Specialist & Project Lead

Coordinated production and logistics for the Adidas Flagship Store Madero opening, working under global Store Design standards.

Supervised the supply chain and material installation, ensuring every space inspired the community through memorable experiences.

2018 – 2021 | LEVI STRAUSS & CO. (DOCKERS)
Senior Brand Environment Coordinator – LATAM

Responsible for Brand Look & Feel across 6 countries. Executed the regional Rebranding and developed operational guidelines that simplified local teams' workflows.

Reduced campaign costs by 74% through a local production strategy, maintaining quality and brand consistency across more than 270 national points of sale. Guaranteed 100% POP coverage and brand consistency across the region during the COVID-19 crisis.

2017 – 2018 | AÉROPOSTALE
Visual Merchandising Manager

Boosted Traffic (+43%) and Conversion (+18%) in 17 stores through floorset optimization and visual reinforcement of key categories (Denim & Lifestyle).

Led teams to ensure daily execution was dynamic and aligned with seasonal trends.

2012 – 2017 | ALDO GROUP
Visual Merchandising & Marketing Coordinator

Managed the shopping experience in retail and wholesale stores, ensuring an organic and successful transition between channels under global standards.

Store openings and remodels: Coordinated suppliers and materials to ensure proper execution of new commercial spaces and renovations.
